

# B'EN

## REMEMBRANCE OF THE EARTH

B'en, represents the Reed or Corn. It is the nawal of the home and children; on this day we give thanks for our home, our family and for the nourishment we are provided by the planet. Ben's animal totems are the armadillo and the bee.

Along the coconuts you must drive, around about where mangroves thrive. All day long you've seen many a boat, but the ones you seek are not afloat. The only thing left to remark, is these boats are owned by a land shark. Hop lightly in what you attend, or on your hide he will rend. But search you must to earn your reward, and find a token that's not that hard.
