

They didn't have much time to look,
they had to time at all.
They left a piece of what you seek
to find just in the wall.

Inside the glass the clue is set,
it's guarded by Philippe
He'll let you have it if you ask,
for it's not his to keep.

6

Inside the dazzling light display,
go left and down the hall
You'll find some stones
at hide the clue beside a Signac wall.

The menu's posted by the door,
check out the food they serve
Then look behind the words
to find the clue that you deserve.

Aix marks the spot where you check
you're done now for today!
Hotel Concorde is waiting there
on **Boulevard du Roi René**.
