

***Run, Dog, Run! You're on your way home!  
The hunt is about to end  
A bowl of dog chow awaits you  
And a bed for your paws to mend***

***Head upstream along Columbia  
On the Historic Highway  
10 miles on, is where you get off  
The next stop you'll have to pay***

***Soon you will exit at a small town  
There are no keys to these Locks  
Cascade off the Interstate now  
Toward a steel framed box***

***Over the river via this box  
It's time to fly like a duck  
God is dog spelled backwards, my friend  
It only costs you a buck***

***Touching down on the other side  
You'll feel like you're in a new state  
Take a right turn on the Evergreen  
Three miles to go to seal your fate***

***Welcome to downtown Stevenson  
A right on Russell you'll make  
Take care crossing the railroad tracks  
Frequent trains require a brake***

***The doghouse is now on your right  
Riverside Lodge is its name  
If you can't find this place by now  
You've only yourselves to blame***

***Come on in and lap up a drink  
And sniff each others butts  
Regardless of your pedigree  
We're all just a big pack of mutts***

***HOWWWWWWWWLLLLLLLLLL!!***
