

**TOYS R US**

**As time moves on, wisdom is gained  
And knowledge acquired too  
Experience helps move the cause  
But school is the hidden clue**

**A royal road you must travel  
To a castle made of stone  
Park your car and set out on foot  
To a bygone era you're prone**

Antiques and collectables  
Have stood the test of time  
Passing on from hand to hand  
Gathering dust and grime

Some of them will hit the trash  
And some will find a home  
Some sit years inside a shop  
Some seem to always roam

Don't ask why they stick around  
The reasons vary wide  
Some exist in open sight  
While some prefer to hide

Those you search have found a place  
With others of their kind  
Waiting very patiently  
For you to seek and find

That you seek is not the first  
Which goes by given name  
Second one is what you'll find  
Different but still the same

**Of course a circle's round  
Like the face of a clock  
Stand up in the middle  
Now's the time to take stock**

**As you face the dial  
Inside your garden round  
Turn to face 3 o'clock  
That is where you are bound**

**At this place you'll gather  
By spirits you've been sent  
Not to just find clues, but  
To seek enlightenment**

**Now call out Na'tsa'maht  
Together you must pull  
Unity of one mind  
In your collective skull**

**Others may be present  
So show them some respect  
There may be other teams  
But of a different sect**

**Don't worry about the future  
It's here sooner than you think  
And then before you know it  
Becomes the past in a blink**

**Downtown was once the future  
It's currently here and now  
A new town is up and coming  
So get up and take a bow**

**Downtown may be your past quite soon  
But nothing will take its place  
Head up the road to another  
Site in this Road Rally race**

**Remember when, a long time ago  
When words were found in a book?  
The reader turned pages one by one  
On paper is where they'd look**

**Return to a time fading away  
You'll find it round in the square  
In little packages good things come  
A box where people can share**

**Browse and peruse through titles galore  
For one that is right for you  
Within it information is found  
To get you to the next clue**

**Feel free to take this object with you  
Without leaving one behind  
Donations were made to compensate  
To support the reading mind**

A clock cannot run forever  
Sometimes it needs repair  
The hour has come to find a place  
So onward! Don't despair

Not every shop can fix a clock  
Many don't have a clue  
But if you pray to St Francis  
Maybe your dream'll come true

The British have left their mark here  
In oh so many ways  
Even the spelling of *jewellers*  
Has survived all these days

Once upon a time, the Rally began  
Your journey through time and space  
But all good things must come to an end  
At their final resting place

Your efforts are strong, you've made it this far  
But there's still a short way to go  
And one more trick to acquire the last clue  
It's time to put on a show

Hard work should be its own reward  
But a bonus is always sweet  
Enter a place of chocolate delights  
Where you will receive a treat

But first you must announce yourselves  
With a vocal exercise  
Speak the words on on the Epilogue's page  
And you will receive your prize

Enjoy your candy and read your clue  
There's no time left to lose  
Proceed to the land that time forgot  
On a short and enjoyable cruise
