YEAST

Pick this up at any time or place you find convenient by going into any store and buying a packet of yeast.

One is enough for as many batches as you can run.

This is an optional ingredient that boosts the *Fermentation* process. If you arrive at your still early (before 1 PM), you can skip this ingredient entirely because of the extra time you can devote to *Fermentation*. If you do not arrive early and without a pack of yeast, you will incur a 10% penalty to the amount of moonshine you can produce during the *Fermentation* phase.

Party Animal shot must include majority of team and either the **Yeast** on the shelves or at the cash register and include the hashtags #rr16tr #rr16tr_yeast and your team hashtag.

WATER LOCATIONS

The Carolinas are overflowing with potential water sources. To earn this ingredient, simply take a picture of the majority of your team with a waterfall in the background, and post it to Instagram with the hashtags #rr16tr #rr16tr_water and your team hashtag.

There is no bonus for the **Party Animal** shot since the reward is the ingredient.

FLAVORINGS

Moonshiners with a discerning palate can increase the value of their moonshine by the addition of flavorings. Every team can make Corn Mash, but the more aromas in the **[FLAVORINGS Box]** you can correctly identify, the more skill you demonstrate, proving you can handle the more difficult recipes.

For every pair you get right, you may mix your batch with next level of more valuable recipes, but the first incorrect answer locks you into the level below it.

For example, if you get Lemon wrong, the best you can do is “Apple Pie”, even if you get Cinnamon, Banana, Coffee, Pineapple and Coconut right.

Prices are per gallon, and there are 100 gallons in a batch, so each level is worth \$100/batch.

Corn Mash: \$20			
_____	Buttered Popcorn	_____	Anise
Peach Cobbler: \$21			
_____	Spearmint	_____	Clove
Apple Pie: \$22			
_____	Lemon	_____	Cinnamon
Demonberry: \$23			
_____	Banana	_____	Coffee
Cherry Bounce: \$24			
_____	Pineapple	_____	Coconut
Honeyshine: \$25			

STILL LOCATION

Your still is located in the MellowDrome at Carrier Park, 220 Amboy Rd, Asheville, NC 28806

We will be set up to check you in and get you started on the next phase at 1 PM, but if we see you before then, you will be counted as “early”. Nobody will be issued the package for the next phase before 1 PM.

All ingredients must be earned before the deadline, but there is no benefit to finishing early beyond having more time to complete the next phase.

If you miss the 3PM deadline, you must call in to make arrangements to pick up your package at the Host’s convenience. You will not be penalized for the call, but will have less time to earn cash in the next phase. Furthermore, even if you have all the ingredients for two batches, you will not be able to make more than 75 gallons of moonshine.

YOU MUST CHECK INTO YOUR STILL BETWEEN 1 & 3 PM

GIVE me your anathema.

Speak new damnations on my head.

The evening mist in the hills is soft.

The boulders on the road say communion.

*The farm dogs look out of their eyes and
keep thoughts from the corn cribs.*

Dirt of the reeling earth holds horseshoes.

The rings in the whiffletree count their secrets.

Come on, you.
